# DEFINITELY ONE TO REMEMBER

**New Member Orientation | August 28, 2019**

On Wednesday, August 28, our officer board held the New Member Orientation for this year's brand new members! We talked about what HOSA-FHP is about, how to get involved with it, and the various opportunities that it offers to grow as a leader, a person and a future health professional. We had an incredible number of new recruits and we are so excited to see what this year holds for our chapter! By the looks of it, this is going to be a year to remember for Middleton High School's HOSA!

## TAKING OUR MEMBERS TOWARDS TOMORROW

**First General Meeting | September 4, 2019**

This year's First General Meeting was held on September 4th. In this meeting, we discussed the new events we are introducing this year, service events, competition updates, and this year's HOSA shirts. This year, Middleton HOSA is expanding our horizons by organizing FOUR blood drives for members to volunteer in and so many more events! We can't emphasize enough how important it is to attend these meetings as much information and reminders will be provided here!

## REPRESENT!

**Williams Middle Magnet High School Expo | September 18, 2019**

On September 18, Mauli Bhogade, Siri Gavini and Thanvi Narapareddygar represented Middleton at the Williams Magnet Middle School's High School Expo! They talked to the students at Williams about what Middleton is about, the different magnets (particularly biomed), and different clubs, like HOSA-FHP. They were also joined by Ms. Floyd (our Lead Magnet Teacher) and Ms. Burton (our Magnet Assistant Principle) and described how they had such a great time! Keep in mind that if members want to participate in any volunteering activity, then they must have the Tiger Ambassador form filled out and turned in to the office.

# FALL IN LOVE WITH HOSA!

## *The Fall Leadership Conference | September 26, 2019*

The Fall Leadership Conference was held at the Rusty Pelican in downtown Tampa on September 26th. We now have five Middleton Tigers representing us in the Region Four Suncoast West office! Chandrika Ganduri is our District President Elect, Rhea Pitale is our District Vice President, Daniel Kim is our District Historian, Mauli Bhogade is our District Treasurer, and Amit Ashok is our District Parliamentarian. We are so excited for all of the district officers and know all of you are going to go great places and hope your time in office will be filled with success and happiness!
